

Product Information

FOAM-EASY CHLORINATED SELF-FOAMING LIQUID DETERGENT

CLEANS

- Tank exteriors
- Floors
- Conveyors
- Other environmental surfaces

FEATURES/BENEFITS

- Moderate alkaline detergent – ideal for bucket and brush chores
- Self-Foaming – generates copious, stable foam
 - No foam additives needed
 - Increased dwell time to penetrate, dislodge and suspend difficult soils
 - Ideal for use in air operated and hand held foam units
- Complex blend of surfactants – providing maximum detergency
- Chlorinated
 - Aids in the removal of protein soils
 - Removes “bluing” from stainless steel surfaces
 - Effectively controls odors
 - Helps to control mold and mildew
- Free rinsing – leaves no residue
- Effective in hard water conditions

DESCRIPTION

- FOAM-EASY is a premium, self-foaming, liquid, chlorinated, mild alkaline detergent, designed for use as an all-purpose exterior surface cleaner. FOAM-EASY rapidly penetrates, dislodges and suspends all the soils typically found in the brewing environment and can be used as a manual cleaner or through foaming equipment.

USE DIRECTIONS

- For manual cleaning operations use 2 to 4 ounces of FOAM-EASY per each gallon of warm to hot water. Rinse well with fresh water
