

# TECHNICAL DATA SHEET

## KETTLE WASH PLUS CHLORNATED ALKALINE CIP CLEANER

### DESCRIPTION

- KETTLE-WASH PLUS is a chlorinated, high alkaline liquid, designed for use in all CIP/COP cleaning procedures found in the brewery. It has been formulated for use where the combined cleaning power of alkaline detergents and oxidizing agents are required. KETTLE-WASH PLUS is formulated with sodium hydroxide, water conditioning agents, and chlorine to enhance cleaning performance and provide protein removal. KETTLE-WASH PLUS penetrates, loosens and removes tenacious brewing soils.
- Low-Foaming – Ideal for CIP
- Chlorinated - removes protein soils and protein “bluing” from stainless steel surfaces
- Economical – maximum strength
- Controls hard water conditions - free rinsing, leaves no residue
- Effective in hard water conditions

### DIRECTIONS

- For mechanical cleaning procedures use 1 to 4 ounces of KETTLE-WASH PLUS to each gallon of hot (120° to 160° F) water. Dilutions will vary depending on the soil type and load. Rinse thoroughly with fresh water.
- For specific use recommendations or answers to any cleaning or sanitation questions you may have, contact us at (800) 248-8515, or send us an email at [info@acechem.com](mailto:info@acechem.com).

### PROPERTIES

Form .....	Clear liquid
Color .....	Light yellow
Odor .....	Chlorine
Density .....	1.19
pH of a 1% solution .....	>12
Foaming .....	Low

**Special considerations and notes:** Avoid soft metals

Always observe label statements and follow the information contained in our Safety Data Sheets (SDS).

The information contained herein is to our knowledge, true and accurate. Because conditions of use are beyond our control, we make no warranty or representation expressed or implied, except that the products discussed herein conform to the chemical descriptions shown on their labels. Nothing contained herein should be construed as permission or recommendation to infringe any patent. No agent, representative, or employee of this company is authorized to vary any items of the notice.
